GUILLAUME PELTIER IS FORMER VICE PRESIDENT OF THE REPUBLICAN PARTY (2019-21)-----

Guillaume Peltier, born August 27, 1976 in Paris, is a French politician. After joining the National Youth Front (Far Right) and the National Republican Movement, in 2001 he joined the Mouvement pour la France, where he notably held the position of Secretary General. In 2009, he joined the Union pour un Mouvement populaire - which later became Les Républicains (LR). He is currently a Republican deputy, and departmental councilor of Loir-et-Cher. He is also vice-president of the LR group at the National Assembly. He was also vice-president of LR from 2019 to 2021 under the chairmanship of Laurent Wauquiez (President of the Rhone Alpes-Auvergne Region). He joined Éric Zemmour during the presidential campaign of 2022, and became spokesperson for his "Reconquest" party (Freshly launched party, December 7, 2021, by Eric Zemmour, Candidate for the Presidency 2022).-----

Guillaume Peltier explains his reasons for joining "the phenomenon" of Eric Zemmour and his recent movement 's success "The RN and LR, were a dynamic had an incredible echo with popular activists, or Eric Zemmour is a chance for France. First the people, Eric Zemmour is convincing them about identity, Islam and immigration. And that is why my support as well as other mayors of Loire and Gironde ". He shows his dissatisfaction with endorsement sponsorships. It was the Grenela de Gaulle who had established this legal system of sponsorships to introduce fanciful candidates with a view to resuming themselves in the presidential election. This is normally a neutral filter, which then required only 100 referrals and anonymous, instead of the 500 required today. But it was Francois Hollande (Former French President of the Republic) who lifted the anonymity, the sponsorships ... "-----

He agrees with Eric Zemmour, who a few days ago appealed to David Liénard dl President of the Association of Mayors of France (AMF), to allow Eric Zemmour to obtain these endorsements which are now validated for 331 out of the necessary 500... " This is why I launch an appeal to David Lisnard (President of the (AMF) Association of French Mayors, and also member of Les Republicans Party) and I am ready to participate to regroup all the mayors willingly to face and to grant the concrete blocks to all the candidates given their rate of voting intentions according to the polls. With Eric Zemmour we are going to tour France to achieve this. David Lisnard should launch this support in this democratic process. I will be the captain of this adventure which is a chance for France "-----

To the question of why and what would be the added value of Guillaume Peltier's entry into the "Reconquest" Party he responded : I was the Vice President of the LR (Les Républicains) party, one of the largest right-wing parties in France, and I will bring my political experience as an MP to Eric Zemmour. It was necessary to send a symbolic message by my rallying to Eric Zemmour as a very strong sign to my other colleagues from LR to all join us. He adds a nuance "I will submit to the choices of Eric Zemmour"../

ACCORDING TO GUILLAUME PELTIER, « FRANCE IS SOCIALIST INSIDE AND LIBERAL OUTSIDE »-----

Guillaume Peltier pleads to encourage those who work for France and against the assistantship. Then, he answers the three journalists, a question on the economic offer for the next program of Eric Zemmour, by multiplying the references of illustrious characters "Like Colbert, Toqueville, De Gaulle, Pompidou, we must act in sword with shield, to have more agility of the economy is

both a sword and a shield "it is necessary to simplify, with a labor code of 100 pages, symbolic to totally liberate companies. The sword facilitates agility, and the shield makes it possible to be more protectionist thanks to a trade border, thanks to an ecological barrier, for example. He adds that "France is too socialist inside and liberal outside it is necessary to change that ».

GUILLAUME PELTIER BECOMES SPOKESPERSON OF THE ERIC ZEMMOUR'S »RECONQUEST" PARTY AND RESIGNS FROM "THE REPUBLICAINS"-----

I decided to join Eric Zemmour, because it is the start of a wave of new members of Eric Zemmour's Party and of people from the Right who want things to change! Said Guillaume Peltier, praising the qualities of Eric Zemmour who he joined "I join Eric Zemmour because of his courage and his convictions, he understood the lucid state of the political life of the French right. There is no such thing as lasting success. The idea is to have a visionary presiding, and then he managed to get

77,000 adherents, in so long, despite 122,000 adherents the Republicans, which is a historic party. " He adds: "If you want France to be France, and a party bringing together the independents, the patriots and with an architecture for legislative elections, and all those who believed in Marine Le Pen, Marion Marechal Le Pen, all those who have vibes for France, are welcome. "He announces in proposal to join Eric Zemmour, who must obtain the 500 sponsorships necessary for the candidacy for the French Presidential election (before the deadline of March 4, 2022)

« WHEN I WAS A TEACHER I ENCOURAGED MY STUDENTS TO LOVE FRANCE, WHICH IS THE MOST BEAUTIFUL COUNTRY IN THE WORLD "PELTIER REMINDED-----

Guillaume Peltier answers the questions of the journalist Sonia Mabrouk of Cnews TV, about his motivation to leave his party of (LR) "Les Republicans" switching to "Reconquest" "What matters is the popular wave at the base and it is already there, it existed before me with Philippe de Villiers. " "France must be chaired by a visionary and not by an accounting manager" he justifies.-----

On behalf of the 44% of those who voted for Eric Ciotti (In the Republicans primary election), I join the only candidate capable of bringing together all right-wing readers and with a lucid vision of French society and the only one to beat Emmanuel Macron "and I don't trust Valerie Pécresse (Les republican, official Candidate) He recalls his old job as a history teacher and his love for France "I was a history teacher and I tried to teach my students the love of France. We are the most beautiful country in the world. world". He ends with a call to join him "I launch a solemn appeal to all those who love France to join us" ... / Olivier Ubéda, the campaign director of Eric Zemmour, explains in reaction to the reception of Guillaume Peltier "he is a talented young man, but we are not in the 4th Republic, it is not the elected officials who make the election but the people.../Source: Interview conducted by Sonia Mabrouk, Mathias Bock-Cote and Nicolas Barre on Cnews TV Broadcast, Sunday 9 January 2022.
